Congratulation to the winner of Spelling Bee Competition and the students who have received the Diploma certificate for recognizing all ‘Phonic sounds’ and ‘Bangla alphabets’.

Dear Parents,

We request you to read story books to your child as this will eventually develop their reading skills.

We have an exciting new reading program in Kindergarten, plus we will have three periods of I.T weekly! We also wish our students all the success in their next academic year in Kindergarten.

Best wishes

Reception Teachers.
