

Welcome to CGS for the Academic year 2017 / 2018!

Class Notes: Kindergarten

August 2017

We welcome you all to Kindergarten. As there has been a long break for summer most children will have forgotten the skills we developed in Nursery - do not despair, we will spend the first few weeks revising what they have already done last year. This way they will feel confident and motivated to tackle the Kindergarten syllabus when we get to it later.

Each month you will receive a newsletter along with 'Kindergarten Class Notes' on the reverse. Please read it regularly as it will contain information that will be useful to you and be a source of communication between the school administration and yourself.

We have a I.T. Centre at the Lower School, solely for the use of Kindergarten, Class 1 and 2. This will mean many more computer hours for each child! We also have a special area of study 'Health Education' and will be developing skills in healthy living and learning about keeping our environment clean.

The book return and sneak preview day for class Kindergarten will be on the **22nd July at 11:30am**. Please try to attend it as you will receive valuable information regarding class Kindergarten curriculum and get a chance to meet all the teachers of Class Kindergarten, who will be there to answer your queries! We also wish our wonderful students all the success in Class Kindergarten!

Please feel free to write in comments/ complaints/ suggestions.
