Class News...

For the 25th year celebration of CGS we have arranged a special art project for students. In this regard, students have been advised to bring their old toys to school which will be used as recycled toys for the art project. CGSD is already engaging into Green Hour by doing their bit toward a more responsible and sustainable energy consumption.

ACP rehearsals are now going on in full swing for the upcoming Annual Cultural Programme to be held at the end of the month. Invitations bearing details shall be sent closer to date. We are thankful to the parents who have been extremely supportive in maintaining the traffic rules of CGSD. Please encourage your child to speak in English so that it reinforces his/her competence at school.
