Dear Class 10 Students,

You are now about half-way through your 'O' Level examinations! Hang in there because you need only a few more days of serious oil-burning, late-night studying and then it will all be over! Also, we've saved the best event for the last. Your Graduation ceremony will be held on the 14th of June.

Good Luck for the remaining exams!

**Farewell Note:**

It was wonderful to teach you in Class 10. You will be taking forward a bundle of memories and knowledge to the next year. We will miss you a lot. Our blessings and best wishes will be with you.

Best wishes

Class 10 teachers
