Instructions for Parents using class specific email IDs:

1. Queries emailed to be in reference to academic issues only. These must be outside the parameters of regular academic instructions which the students receive in class.
2. Not applicable for absent student information and lesson notification or explanation.
3. Irrelevant queries not related to academic issues will not be addressed by COs.
4. To kindly bear patience for the CO's replies within a time-frame of 01-02 working day(s).
